

## XI General Assembly, Bangalore India, 15-30 January 2019

### Introduction:

In view of the International Assembly of Bangalore in January 2019, we direct this questionnaire to all the Fraternities. The theme chosen for this assembly is ***Missionary Diocesan Priests Inspired by the witness of Br. Charles de Foucauld.***

The social and ecclesial realities of our continents have changed profoundly since our last assembly in Poissy. Pope Francis calls us to a new impulse (élan) for evangelization in his exhortation *Evangelii Gaudium*. We ask that each fraternity would make a review of life from this questionnaire so that the reflection of the international assembly will be rooted in the life and mission of each one of us as diocesan priests. We propose the following process:

- First, each fraternity responds to this questionnaire.
- Secondly, the report will be sent to the regional responsible before May 2017.
- Thirdly, the regional report will be sent to Aurelio by September 2017 so that the International Council can use this in their meeting in January 2018 in Bangalore.

The reports will be summarized and published in each country's language.
