

INTERNACIONAL TEAM OF THE FRATERNITY: KANSAS 2016

Between 17 and 27 October our international team of the Fraternity for Priests Iesus Caritas will be assembled in Kansas City, United States, hosted by Mark.

We are going to work the themes of the fraternity we carry on agenda and have all brothers and fraternities at our desk, our prayers and our heart.

Pray also for us, and for the sick brothers or with difficulties; by the brothers from all continents; the new fraternities and the projects that we have to face. Thanks to each and every one of you. Jesus bless us all and brother Charles illuminate the way.
