

Priestly Fraternity Jesus Caritas Italia, spiritual exercises 2025.

On Friday, November 21st, with Mass in the "Porziuncola" and lunch, the spiritual exercises of our priestly fraternity concluded.

From November 17th to 21st, in Assisi, we were accompanied by Brother Emiliano Biadene of the monastic community of Cellole, on the theme of the Letter to the Philippians: "For to me, to live is Christ" (Phil 1:21).

These were precious days for our spiritual growth in the footsteps of Saint Charles de Foucauld. An experience of reflection and fraternal sharing on a Pauline text of extraordinary depth for our priestly life.

Brother Emiliano will provide us with the text of his meditations, which we will publish in our next "Diary" for further reflection.

Let us thank the Lord together for this gift received, as we prepare to experience the season of Advent. We wish each and every one of us to await the Lord's coming!
