

The Priestly Fraternity of Jesus Caritas in Rwanda

Following the visit to the Diocese of Nyundo , yesterday January 13th , 2026 at 11:00 AM, the Diocese of Gikongoro welcomed Father Abayisenga Valens, a member of the Priestly Fraternity of Jesus Caritas of Rwanda. He gave a talk on the spirituality of the Priestly Fraternity of Jesus Caritas. Everything went well, and we are very grateful to His Excellency Bishop Hakizimana Célestin of Gikongoro , who welcomed me and shared such a valuable testimony about this spirituality, as he himself was a member of the Priestly Fraternity of Jesus Caritas of Rwanda before 1994.

The priests welcomed this spirituality and we hope to start a new fraternity soon in Rwanda in the diocese of Gikongoro.

Furthermore, three other dioceses of Rwanda, namely the diocese of Byumba , the archdiocese of Kigali and the diocese of Kibungo ; their bishops have promised to come one day to talk to their priests about the spirituality of the Priestly Fraternity of Jesus Caritas.
